qualitative interpretive meta-synthesis of crisis volunteers' motivation, Dec. 327-338

*Mindfulness Research in Social Work: Conceptual and*

*Methodological Recommendations*, by Eric L. Garland, Dec. 439-448

**Model fidelity**

development and validation of a wraparound parent partner fidelity tool, June 111-120

**Modeling approach**

future orientation as a mediator between perceived household economic stability and assets, June 147-158

**Mothers.** See **Child welfare; Maternity leave; Parenting**

**Multitrait-multimethod research**

using longitudinal ratings collected by multiple raters, June 85-98

**Native Americans**

comparison of father involvement predictors in, Sept. 207-217

**Neighborhoods**

Community Advantage Home Loan Secondary Market Program in low to moderate income, Mar. 37-53

ecology of youth collective socialization, Sept. 227-236

**Noncontact and nonresponse**

differences in being located and collaborating by race and Hispanic origin, Mar. 64-74

**Older adults**

effect on community-based services in depressed, Sept. 255-262

predicting service use and intent to use services of residents of retirement communities, Dec. 313-326

social workers as research psychotherapists in using CBT with rural, June 137-145

volunteer programs and increasing benefits for, June 99-108

**Organizational facilitation**

increasing older adults' benefits from volunteer programs, June 99-108

## Parenting

comparison of urban American Indians' involvement in, Sept. 207-217

measuring willingness to foster children with disabilities and special medical conditions, Sept. 169-178

protective factors for African American youths who have a parent with depression, June 121-134

See also **Grandparenting: Mothers**

## Parent partners

development and validation of a wraparound fidelity tool for, June 111-120

## Partnerships

evidence-based practice and agency-university, Sept. 179-193

## Postdoctoral experience

and social work, Mar. 76-80

## Poverty

implications of paid family leave for welfare participants, Dec. 375-387

See also **Low income households**

## Practice and policy decisions

integrated knowledge translation: hospital-based social work, Dec. 339-347

## Predicting Service Use and Intent to Use Services of Older Adult

*Residents of Two Naturally Occurring Retirement Communities*, by Jiska Cohen-Mansfield, Maha Dakheel-Ali, and Barbara Jensen, Dec. 313-326

## Predisposing, Enabling, and Need Factors Associated with

*Addiction Treatment among Massachusetts Puerto Rican Drug Users*, by Elpidio Adorno, Deborah Chassler, Melinda D'Ippolito, Steven Garte-Wolf, Lena Lundgren, and Timothy Purington, Sept. 195-206

## Provider-patient relations

race, relationships, and trust in providers among blacks with HIV/AIDS, Sept. 219-226

## Psychometric properties

confirmatory factor analysis of the abbreviated CFNI, Dec. 414-422

## Puerto Ricans

predisposing, enabling, and need factors in addiction treatment by abusers who are, Sept. 195-206

## Qualitative methods

epistemology in qualitative social work research, Mar. 55-63

## Race

African Americans with HIV/AIDS and race, relationships, and trust in providers, Sept. 219-226

differences in being located and collaborating by Hispanic origin and, Mar. 64-74

## Race, Relationships, and Trust in Providers among Black Patients

*with HIV/AIDS*, by Tara R. Earl, Somnath Saha, Margaret Lombe, P. Todd Korthuis, Victoria Sharp, Johnathan Cohn, Richard Moore, and Mary Catherine Beach, Sept. 219-226

## Randomized controlled trial

mindfulness research in social work: conceptual and methodological recommendations, Dec. 439-448

## Rater effects

research using longitudinal ratings collected by multiple raters, June 85-98

## Recovery in Severe Mental Illnesses: A Literature Review of

*Recovery Measures*, by Anna Scheyett, Joseph DeLuca, and Candice Morgan, Sept. 286-303

## Relationship quality

comparison of urban American Indians' involvement as fathers, Sept. 207-217

grandparenting and factors affecting growth in, Mar. 26-36

race, relationships, and trust in providers among blacks with HIV/AIDS, Sept. 219-226

## Research agendas

supporting global practice by development of, Sept. 165-167

## Research methods

editorial on, June 83-84

epistemology in qualitative social work research, Mar. 55-63

literature review of recovery measures in mental illness, Sept. 286-303

using longitudinal ratings collected by multiple raters, June 85-98
